

CORKS NEWSLETTER

July 2011

Central Ohio Radio Kontrol Society

FOUNDED 1958

Flying hours: Monday thru Saturday 10 AM to 8 PM Sunday 11 AM to 8 PM

Next Meeting:

Wednesday, July 6th at the Sunbury Library – 7 P.M.

From the President:

Well, we got our first event off without a hitch. We had 19 registered pilots and several aircraft. Granted this event was not even close to being as big as our Big Bird coming up or past Sky Diver Rally but, it was a good turnout for the first year. I think graduations may have hindered the turn out and I will try to pick a different weekend next year.

I want to thank everyone that came out and helped. The field looked perfect as usual and we had all the tents up and ready with no problems. Everything went without issue in the concession stand and ran smoothly. Thank you to everyone for all your help, it is greatly appreciated. Without all of you helping, we could not put on events like this and the Big Bird coming up.

I would like to give a special thanks to Jay Morris for getting the gravel for our driveway. I have been up there a few times since and it looks great. Thank you for your effort and help. Speaking of events our Big Bird is coming up August 6th. I have actively been going to other events in the area promoting ours while supporting theirs. Dave and Bill Folk have been attending a few as well. I hope with this effort we will have a good turn out as in years past. It is imperative to try and make a few events at other clubs or they will not support ours. I even had someone from another club bring that up to me as we were talking. I know not everyone is into the Big Birds and it may not be your thing but, if you are interested in seeing or going to one let us know and we will point you in the right direction. There are a couple coming up that are worth going to at Quincy and Celina, especially Celina. This is a really cool event.

Again, thank you to everyone for their help. I look forward to seeing everyone at the meeting and the flying field.

Mike

From the Editor:

Remember to check out our club website @ corksfield.org. If you have anything you want posted send it to Dan Barbee.

I received a couple items from Dick Liston I want to pass on:

First, once again the club will have a float in the Sunbury July 4th parade. Dick, Don Bryant, Don Raney and George will be putting the float together. If you want to help please call Dick Liston 740-965-9882 for details. The parade is actually on July 4th this year and the theme is Proud of the Red, White and Blue.

Second item is that Mary at the Sunbury Library called him early last week (6/14) and invited the CORKS to bring the airplanes back and hang them back in the ceiling. Dick called George, and Don B and together they hung 4 airplanes from the ceiling. We also have an engine display with old magazines, radios and other things for the display case. She would like to have this over there for two months and we agreed on that. So anytime you are in town stop by the library, you are welcome to go and see what we have displayed.

As always, if you see something that is of no value or if you have suggestions for change, let me know. The e-mail address for you to contact me is hmbengr@earthlink.net and there is always the phone (614) 899-3800 or snail mail.

Corks Meeting Minutes 6-1-2011

Guests: 1 – Dave Bonar

Members: 13

Minutes Last Meeting: Approved as printed in last newsletter.

Treasurers Report: Approved as read.

Old Business: Electric Fun Fly—Cooking is to start at 11:00 AM Saturday and shut down at approximately 2:00 PM. Boxes of chips and candy to be donated by Magora's. Per Nick—hot dog & bun \$1.50, candy 50 cents per bag, chips 50 cents per bag. Per Mike See a hot dog & can of pop-\$2.00. Nick Magora said that no Board of Health Permit is needed but made the suggestion that the person that handles the money should not handle the food. Per Mike See help to arrive Friday at 9:00 AM to set up tents & awnings. Joe Lemermeier is to bring Volvo battery & drop it off Saturday AM. Keith at Cyclone Hobbies to bring generator and sound system. Mike See and Joe Lemermeier to supply generators also. Bottled water is needed. Paul Fannin to bring 3 large bags of ice.

Bill Folk indicated that more gravel was needed. No final decision was made on the gravel request by Bill Folk.

New Business: Bill Folk informed those present that an electric fly was held at the Field on Memorial Day---8 planes were flown in the wind. Good time had by all.

50/50 Award: Will Ridenbaugh had the winning ticket and donated his winnings to the Club.

Meeting Adjourned
